Viewing the child's proof of identity is not necessary when the child attends a public school in Virginia *and* the center assumes responsibility for the child directly from the school (i.e., after school program) or the center transfers responsibility of the child directly to the school (i.e., before school program). Section 63.2-1809 of the Code of Virginia states that the proof of identity, if reproduced or retained by the child day program or both, shall be destroyed upon the conclusion of the requisite period of retention. The procedures for the disposal, physical destruction or other disposition of the proof of identity containing social security numbers shall include all reasonable steps to destroy such documents by (i) shredding, (ii) erasing, or (iii) otherwise modifying the social security numbers in those records to make them unreadable or indecipherable by any means.
